

## myACT – Portable Power Station

| Model No.             | AP702                       | AP1002                      | AP2002                      | AP2502                      |
|-----------------------|-----------------------------|-----------------------------|-----------------------------|-----------------------------|
| Capacity              | 665Wh                       | 998Wh                       | 1872Wh                      | 2496Wh                      |
| Battery Type          | Lithium Iron Phosphate      | Lithium Iron Phosphate      | Lithium Iron Phosphate      | Lithium Iron Phosphate      |
| Life Cycles           | 3000 cycles to 80% capacity | 3000 cycles to 80% capacity | 3000 cycles to 80% capacity | 3000 cycles to 80% capacity |
| AC Output Rated Power | 700W                        | 1000W                       | 2000W                       | 2500W                       |
| AC Voltage            | 230V                        | 230V                        | 230V                        | 230V                        |
| AC Output Peak Power  | 1100W                       | 1800W                       | 3300W                       | 4500W                       |
| AC Port               | 2                           | 2                           | 4                           | 4                           |
| AC Charging Time      | 1.5-3.3 Hours               | 1.5-3.3 Hours               | 1.5-3.3 Hours               | 1.5-3.3 Hours               |
| USB-A                 | 2 x 18W                     | 2 x 18W                     | 4 x 18W                     | 4 x 18W                     |
| TYPE-C                | 2 x 100W                    | 2 x 100W                    | 2 x 100W                    | 2 x 100W                    |
| DC5521                | 2 x 36W                     | 2 x 36W                     | 2 x 36W                     | 2 x 36W                     |
| Car Charger Output    | 130W                        | 130W                        | 130W                        | 130W                        |
| Anderson Output       | 130W                        | 130W                        | 195W                        | 195W                        |
| Solar Panel Power     | 400W Max.                   | 400W Max.                   | 800W Max.                   | 800W Max.                   |
| Solar Panel Charging  | 1.7-3 Hours                 | 2.0-4 Hours                 | 2.7-5 Hours                 | 7 Hours                     |
| Product Weight        | 10KG                        | 12KG                        | 22.5KG                      | 25.5KG                      |
| Product Dimension     | 380*214*264MM               | 380*214*264MM               | 518*293*323MM               | 518*293*323MM               |
